

REMARKS/ARGUMENTS

Applicant requests reconsideration of the application in view of the foregoing amendments and following remarks.

The Examiner indicated that claims 2, 3, 6, 17, and 18 "would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims." Independent claims 1 and 15 have been rewritten to including the limitations of allowable claims 2 and 17 respectively. Independent claim 12 has been rewritten to include the limitations of allowable claim 3. All other claims depend from these amended allowable base claims.

Applicant respectfully submits that this application is now in condition for allowance. If questions remain, the Examiner is invited to contact the undersigned at the telephone number noted below.

Respectfully submitted,

Michael Diep
